SENIORS

Seniors Stand On Benches During Lunch Break

"Hail Liberty" began to mean much more than a song to the Class of '73 upon entering their Senior year. As leaders of the school they participated in rallies, clubs, and sports events; but each time there was the realization that it was a last-time thing.

As Homecoming rolled around the Seniors decided to make this last one count. They produced

the first place float, "Chug On To Victory." In the jello contest the mighty mouths of '73 ate their way to second place. In the poster contest they placed second.

Dennis Baldocchi, president, Bill Hopkins, vice president, Robin White, secretary, Chuck Hamlin, treasurer, and Ken Smith, representative guided their class through the year and

the decision to hold their Senior Ball in Walnut Creek at the Boundary Oaks Country Club. Their success is owed to advisors Miss Julia Arce and Mr. Jerry Black who have given up so much of their time the past four years.

And on June 15, 1973 the graduating class of Liberty Union High School gave their final "Hail Liberty."

Senior Class Breaks Tradition At Annual Ball

Breaking a long-standing tradition the Senior Class of '73 changed the site of their senior ball from the Claremont Hotel to the Boundary Oaks Country Club in Walnut Creek. The change was voted on by the class. The ball was held on May 12, 1973.

A dinner consisting of prime rib, vegetables, and an ice cream dessert was served from 8 to 10. From 10 to 1 seniors, their dates, and the chaperones danced to the music of Early Morning. Music was also played during dinner.

League Changes As Two Teams Drop; Added

"I think this team was one of the most outstanding teams Coach Jerry Miller and I have coached. It ranks with the '66 team in having fun coaching and being able to win when they weren't supposed to," noted Coach Jack Ferrill.

This year was a lot tougher because of the additions of San Ramon and Monte Vista High Schools to the EBAL. Nevertheless Liberty finished the season in fourth place, with an over all record of 6-3.

Outstanding players this year

MIKE SANCHEZ, 44, sweeps the left end against DeAnza for a long gain; Lions went on to win the game.

were Mitchel Lasater and Russell Blacker. Most valuable back was Mitch. And most valuable line-man was Russell, who also made first team all league.

Coach Ferrill felt that the team spirit was great this year. And all the players had a deep respect for each other, they worked together to win not for individual glory. He also felt there was a lot of school spirit this year.

Since two new teams were added to the EBAL, John Swett and Albany joined another league.

MITCHELL LASATER, 11, fades back for a pass to his leading receiver Russell Blacker, who received it.

Kelso Leads Tennis Team In Tough EBAL Play

BILL KELSO, chosen as most valuable player on the tennis team this year, returns a serve to his opponent.

DEMONSTRATING a good back stroke, Steve Cozby finds it in vain as the Lions fell to San Ramon, 1-6.

Coach Lou Racke said, "Under the stress of a tough league the team had good spirit." "They fought hard, laughed a lot, and cried a lot." With the girls league forming he hopes for an increase in interest next year.

Team captain was Mike Rocker. Most Valuable player award was received by Bill Kelso, who had a good year, beating Granada, 7-5, 3-6, 6-1. Kelso also was honored Most Valuable in the EBAL meet. The team ended the season without a single league win.

RANDY LASLEY smashes the ball back to a Livermore Cowboy. The Lions lost with a final score, 1-6.

VARSITY BASKETBALL TEAM: Carl Mune, Jorge Moreno, Mitch Lasater, Coach Jerry Miller, Ron Meadows, Russ Blacker,

Marty Bacigalupi, Rick Melgoza, Armand Gasca.

SOPHOMORE Rick Melgoza carefully aims his shot to gain two points against Alhambra. The Lions won 56-44.

CENTER Roy Massoni leaps high to control the jump ball against Washington. Liberty fell 57-54.

VARSITY LION Armando Gasca moves into position to receive a pass and drive around his opponent.

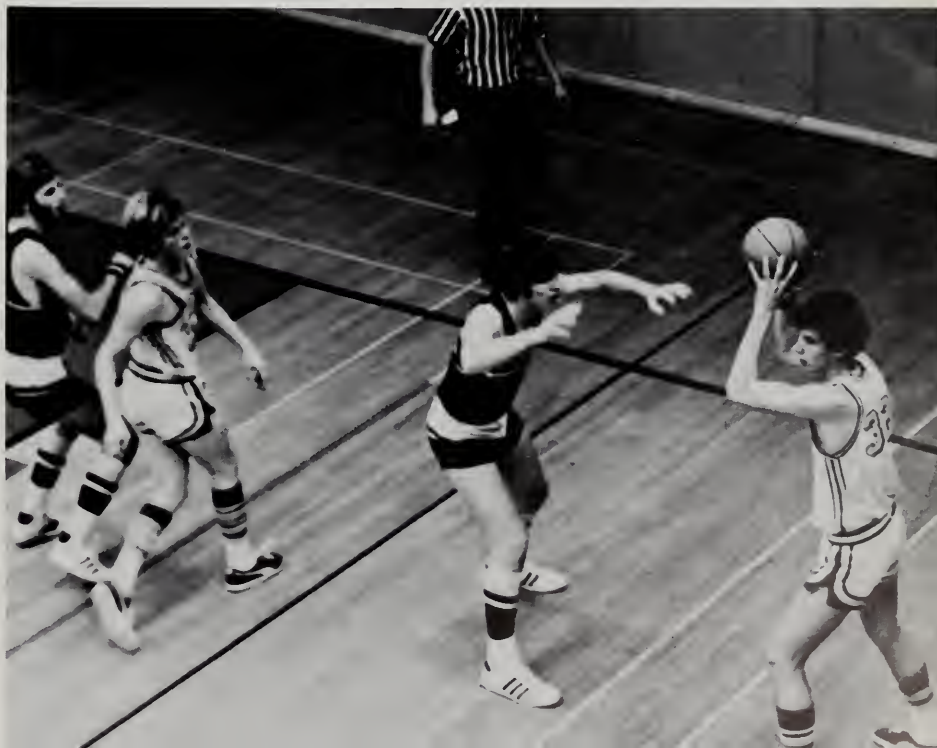

RON MEADOWS attempts to shake his Monte Vista opponent. The Lions came home defeated 53-52.

Young Team Members Build For Future Contests

"We began the season with four seniors, only one of which was a returning starter. This created a problem of a lack of experience. Many younger players were forced into varsity competition with a limited basketball background. The team went down to defeat on many occasions due to this fact. With six returning next year the basketball outlook seems encouraging," stated Coach Jerry Miller.

Marty Bacigalupi received the Most Valuable Award and Roy Massoni received Team Captain award.

This year's spirit week starting off with the Penny Drive and the membership sale for Pep Club. Following this was Poster Day, where all classes competed for the most posters. On Thursday Liberty students dressed up in 1942 outfits to show their school spirit.

Excitement arose when acting superintendent, Mr. Lou Bronzan, announced this year's 1972 Homecoming Queen Kathy Sciortino. Students ran from the bleachers to congratulate Kathy while the band played the traditional "Let Me Call You Sweetheart."

Board Searches For New Superintendent

This year Liberty's Board of Trustees' main concern was the selection of a new superintendent to replace Dr. Wayne Boulding. Dr. Boulding resigned after accepting a position with Placer Joint Union High School District.

After various gas leaks were discovered, the board approved the construction of new gas lines.

This year the board reviewed its policy of the hiring of minority teachers. They made a determined effort to see that equal opportunity was given to members of minority groups.

SCHOOL BOARD and faculty members talk with Dr. Michael Adams at a reception given for him.

MR. WALTER SHARAFANOWICH expresses his point to a smiling LUHS board member, Mr. Jack Bloomfield.

DOING PAPERWORK is Mr. Lou Bronzan, LUHS principal, who also took duties as acting superintendent.

Dr. Michael Adams Accepts Top Job At LUHS

After the sudden resignation of Dr. Wayne Boulding as superintendent, the Board of Trustees worked hard to find a man qualified for the job.

Dr. Michael Adams, from Manteca Unified School District, was appointed and took over as superintendent on May 1, 1973.

Dr. Adams holds a Ph.D. in Educational Psychology from the University of Wyoming. From Chico State he received his A.B. and M.A. degrees and also attended Sacramento State.

Principal Lou Bronzan did a remarkable job this year taking on the added responsibilities of superintendent along with his own duties.

DR. MICHAEL ADAMS and former Liberty teacher, Mrs. Dorothy Gromm get acquainted at the reception.

MR. LOU BRONZAN explains a procedure to a smiling Liberty LION co-editor, Patti Dell Antico.

BOARD OF TRUSTEES: Mr. Jack Bloomfield, Mr. Dewey DeMartini, Mr. Don Boltzen, Mr. Leonard Gerry, and Mr. Joe Smith.

MRS. JUNE DRAKE pauses before entering the counseling building on the way to her office.

MR. GERALD CLAYBURN writes down the names of Dorian Hisatomi, Nancy Payne and Ann Bloomfield.

MRS. PAT CLAYWELL reviews some material with Marsha Sorenson during a counselor-student conference.

VICE PRINCIPAL Mr. Vernon Noble stands at his office door before resuming some routine business.

MISS BARBARA BONNICKSON fills out an admit slip Sheryl Humphreys will need to get back into class.

Students Choose Own Classes And Teachers

This year, with help from the counselors, Liberty Union High School students chose their own classes and teachers.

During the latter part of the summer each student received his 'class request form' along with instructions on arranging classes.

On September 11 students met in the gym to sign up for classes. Seniors had priority followed by juniors, sophomores and finally freshmen. "First come, first serve" was the understanding and students had to settle for a second or third choice if they couldn't get into a preferred class.

MR. DAVID KIRBY goes through a box of counseling material which has just recently arrived.

SEATED at her desk in the counseling building, Miss Julia Arce organizes some papers.

SCIENCE teachers Mr. Ron Overton and Mr. Dennis Buckley help students on opening day.

MR. LEONARD LUCIO shows senior Jan Cornelius a pamphlet about college entrance exams.

LIBRARIAN Mr. Walter Sharafanowich helps Jerry Andrade as he prepares some charts.

MRS. KATHERINE SORENSON leans on a stack of large reference books and contemplates moving them.

Library Establishes New Book Return System

The library established a new system for returning overdue books. No overdue notices were sent to students, but they were billed for the full amount, assuming the book was lost. No further borrowing was permitted until all records were cleared. The new system seemed to work well and was less irritating to students and teachers.

A firm reservation system was made for class use of the library and group use of L3.

HELPING a student with a history paper is Mr. Arthor Gonzales. He also teaches art and English.

SITTING at his desk Mr. Larry Welch corrects and grades test papers during a prep period.

STANDING in an open doorway, Mr. William Batze is confronted by a sneaky photographer.

'Psychology For Living' Added To Curriculum

Several new semester courses were planned by the social studies department.

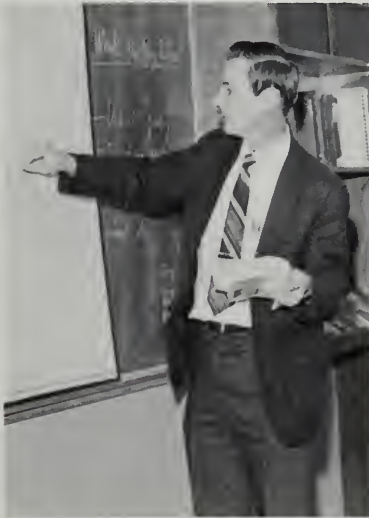

One of those added to the curriculum was Psychology For Living. The class was designed to help students acquire a knowledge of self and interpersonal relationships.

Also among the semester courses offered last year were Sociology, which helped students realize how people function in society; and Economics, which familiarized students with the laws governing the production and distribution of goods and services.

MISS ETHEL VAN TASSEL goes over a homework assignment and answers a question from Diane Moore.

MR. WILLIAM SNOW responds to a point one of his students has brought up in an American Government class.

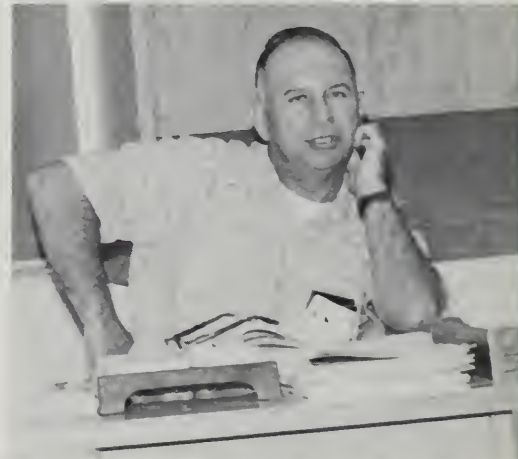

MR. HAROLD CHILD points to an area on a map of Africa during a freshmen social studies class.

MR. GERALD HARDT comments on the film he is about to show before starting the projector.

USING the world map in his classroom during a discussion with students is Mr. Peter Springer.

SMILING, Mrs. Pat Dacus corrects some worksheets and reviews some notes to present to the class.

Quarter Business Writing Classes Added

Added to the curriculum of the Business Department this year was the new class of Business Writing. The class was taught by Miss Rita Pirtle. A quarter class, it consisted of bettering your grammar and writing skills.

It could be followed by another quarter class, Business Writing II. This class put to use the skills learned in Business Writing I, and included learning effective methods of communication by use of the business letter. English credits were given for these Business Writing courses.

MRS. MARY MORIARTY stops to check on the progress Jenifer Beaver has made on a typing assignment.

MR. FRANK PAYNE looks up from his desk in the E wing business office where he spends between-class time.

MRS. SUE FORTNER, busy with book-keeping memoranda, takes a moment to smile for this picture.

REQUESTING an explanation to a recent assignment from Mr. Roy Krumland is Margee Harrison.

Bachelor Living Continues—Enrollment Up

A new addition to the home-making staff was Miss Nancy Doi. She taught Foods and Advanced Clothing.

Bachelor Living, for junior and senior boys, continued in its third year. Enrollment went up, and there were again two classes.

Girls in Homemaking 2 visited a headstart nursery school during their study of child development.

The emphasis was on the consumer role. Girls went to grocery stores and other stores, and learned how to spend their money wisely.

MISS RITA PIRTLE looks up before resuming the task of going over some shorthand material.

MRS. GAYL KRUMLAND threads a needle during a clothing class. She also teaches Homemaking 3.

MISS NANCY DOI supervises Donna Marshall and Robin Torres as they work on their clothing projects.

MRS. JEANNE GLENN watches as 'Moochie' Zamora and Mike Casey clean up after another cooking adventure.

AS FRESHMEN and sophomore boys stand silently in line, Coach Jerry Miller takes roll.

MISS KAREN AXELGARD spots a student doing a stunt on the horse during a gymnastics class.

COACH KEITH DAWSON checks his roll book as he walks along the side of the gym while taking attendance.

P.E. Department Changes Credit System

New to this year's P.E. faculty was Mrs. Karen England. She replaced Mrs. Barbara Severn and taught freshman and sophomore classes.

A 'mileage chart' was established which showed the number of miles each girl exercised in one of various ways. Miles were recorded on a daily basis and included after school and weekend activities. The class with the most miles at the end of the year won a trophy which was placed in the trophy case in the Activity Center.

ROBIN DAVIS holds the roll book for Mrs. Carol Russell as she signs Liz Lennier's absence slip.

The Boys Physical Education Department came up with a major change in the credit system this year.

This new system was based on 18 day periods. A credit was earned for each 18 days of active participation.

Only 35 P.E. credits are now required for graduation, instead of the previous 40. Ten of these credits must be earned in the senior year.

According to this plan, a student can lose up to five credits without failing P.E.

GIRLS P.E. teacher Mrs. Karen England laughs and jokes with Valerie Gage during a gym class.

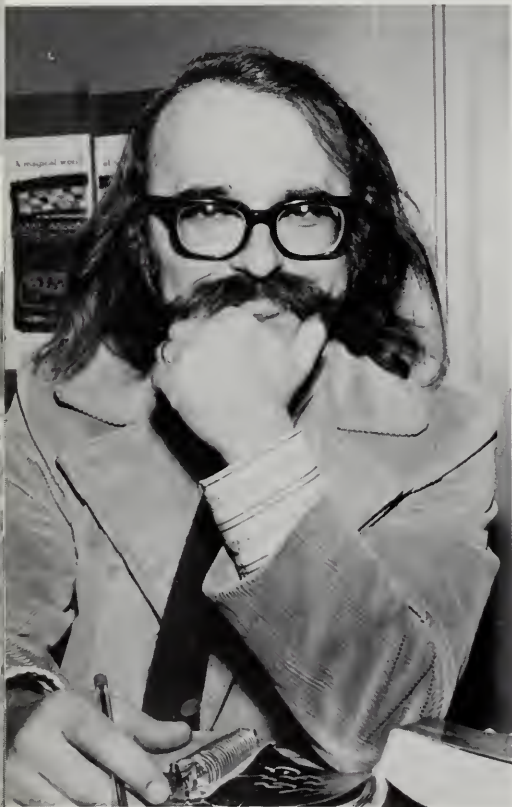

COACH JACK FERRILL counts as boys do warm-up exercises before beginning their team sports.

Three New Teachers Join Language Arts Staff

Ten new subjects will be added to the English department curriculum during the next two years. Such subjects as Leisure Time Reading, Local Authors and Irish Literature will be rotated in on a three year basis.

This year the Reading department was combined with the English department, under the direction of Mr. Ellrie Von Schopp.

New additions to the faculty were Mr. Fred Valverde, Mrs. Ruth Somerhalder and Mr. Mickey Bench.

MR. RICHARD HACKETT seems to be contemplating whether or not to go ahead and take roll.

MR. OLIVER BASCOM grins while going over a paper with Johnny Ghiozzi, Marty Bacigalupi and Diane Dominquez.

LANGUAGE ARTS department chairman, Mr. Ellrie Von Schopp, leaves his room with an armful of supplies.

SMILING happily as she passes behind the desk occupied by Marlene Coelho is Mrs. Mary Jane Barnes.

SEATED at her desk is Miss Virginia Diehl, planning the week's schedule.

LEANING against his desk, Mr. Fred Valverde waits for silence before beginning to speak.

MR. MICKEY BENCH pauses to answer a student's question before continuing his oral reading.

MR. ROBERT RUSSELL doesn't look very optimistic as he reviews students' faces in one of his classes.

MRS. RUTH SOMERHALDER, a new teacher this year, assists Anita Zachery with an assignment.

Students Capture Majority Of Fair Awards

Liberty Artists continued their winning ways capturing numerous awards this past year.

During the summer Art students took over half the county fair awards for the eighth consecutive year.

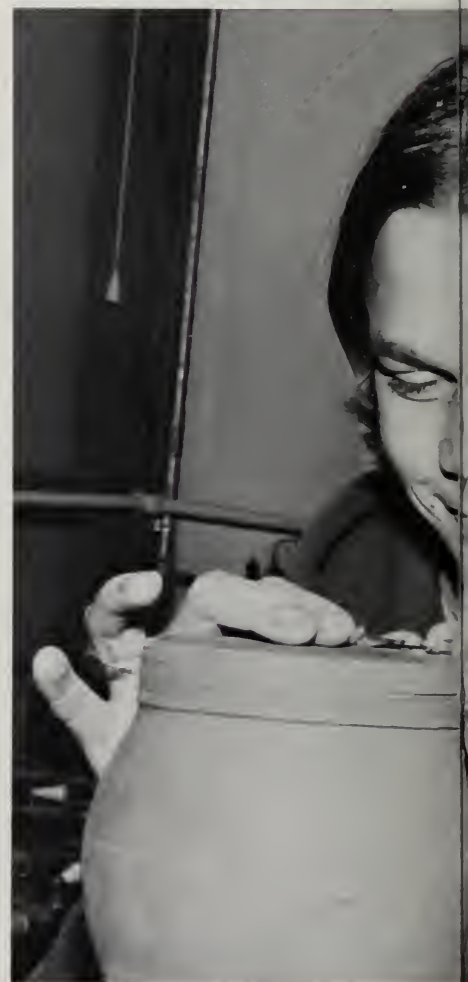

Throughout the school year art work was displayed in various places in Brentwood and the surrounding communities. During the Christmas season the windows of 40-50 Brentwood businesses were painted.

GLANCING up while taking roll is Mr. Lou Racke. He teaches Crafts and Ceramics classes.

SAMMY RODRIGUEZ patiently works on a pottery project with Mr. John Myers standing by.

MR. WILLIAM PETERS stops to look at the drawing Norla Kelts is working on during and Art Fundamentals class.

Enthusiastic Response To Taxidermy Classes

Natural Resources teacher, Mr. Bill Michaud was enthused about increased interest in his taxidermy classes. "Students participating in this fairly new subject were able to learn a great deal about the animal species," he stated.

Many students including girls participated in the tractor driving contest. The annual rodeo and a light horse show at Santa Rosa were also enjoyed.

DOUG LONG seems quite wrapped up in his work as he peacefully trims a ceramic creation.

HELPING Vicki Simmons and Patty Martinez with knot-tying procedure is Mr. William Michaud.

MR. RICHARD LEWIS demonstrates the technique involved in butchering a cow to Marcia Mattos.

Enrollment In Freshman Math Classes Increases

Many more freshmen and sophomore students this year have enrolled in lower Math classes. A program of more individualized instruction for the student continued in Math 1B classes.

Even though more juniors and seniors have been farther ahead in their classes than others before them, now fewer students

are working ahead in the math books. Mr. Gerald Crawford, head of the mathematics department, said that most students with the ability to move ahead, try, but the embarrassment of working ahead holds them back.

This year the trigonometry class had had a minor text change.

SHOWING Kim Gonzales how to solve a math problem is math instructor, Mr. Elias Hernandez.

SMILING in the early morning hours is Mr. Herbert Scott, teacher of algebra, geometry, and trigonometry.

DISCUSSING an algebra problem is Don Diermier and his algebra teacher, Mr. Gerald Crawford.

Room Remodeling Improves Science Department

"Probably the biggest change in the science department this year is the remodeling", according to department head, Mr. Robert Glenn. New foundation, linoleum, and fluorescent lights were added, along with tables and chairs in biology.

Mr. Dennis Buckley is again with the science department, teaching chemistry, physics, and math.

To accomodate an increased interest, an extra chemistry and biology class were added. A physiology course may be added next year, pending school board approval.

OPAQUE projectors are helpful in the science department, as Mr. Jerry Black demonstrates.

WHAT APPEARS to be mass confusion is actually a chemistry class with Mr. Dennis Buckley teaching.

BIOLOGY TEACHER, Mr. Ron Overton, helps Wally Stone with a correction on an assignment.

CHECKING over an assignment is Nixie Hughes, while science teacher, Mr. Robert Glenn, looks on.

Students Now Able To Take Electricity Class

For the first time, an electricity class is being taught at liberty. New equipment includes power supplies and meters. Under the direction of Mr. Dale Cozby students made items such as amplifiers and radios.

An architectural drawing program went into effect. More time was spent drawing accurate models from blueprints.

Advanced students in Wood, Metal, and Auto shops were given the option of taking a two hour class, giving them time to construct larger projects and broaden their abilities.

TOM MARLOW and Walt Hogue watch their teacher, Mr. Dale Cozby, work on a mechanical drawing.

MR. FRANK SCHMIDT tries his talent in the metal shop, in which he is one of the teachers.

SURVEYING an engine is auto shop instructor, Mr. Bill Grossi, with the help of David Navarrette.

Music Department Divides Spring Concert

Due to previous Spring Concerts being too long to sit through, this year's concert was held in two parts. The instrumental group and the vocal section were featured in separate concerts, with Madrigal, Stage Band, and Barber Shop Quartet performing in both.

Madrigal performed, for the first time, in the High School Madrigal Festival held at UC Berkeley. Madrigal also gave various performances to local clubs and organizations.

Field trips included the CMEA Concert Clinic, and a performance by the Presidents' Marine Band.

ALTHOUGH he teaches both metal and wood shop, we find Mr. Bob Gonzalez in metal shop with Ken Rogers.

BAND DIRECTOR, Mr. Allan Jones, shows Marvin Bacigalupi fine points of drumming, important in a band.

"AND THE SONG GOES LIKE THIS" could be the words of choir and social studies instructor, Mr. Edwin Biggs.

Films, Field Trips, Counseling Help Students

New films, field trips, and heavy counseling helped the students of the Opportunity Program to work themselves back into regular classes. The films were designed to help students think not only of themselves, but also of things around them. In the classrooms emphasis was placed on individualized materials and self-paced work.

Six main programs were set up for the Work-Study Program of special education. These programs consisted of: perceptual, core, individualized learning, elective, work-study, and counseling.

DANNY DIERMIER and Danny TerraBoa intently watch Mr. Frank DeParsia while he examines a workbook.

MR. SAM COHEN works with his assistant on materials for use in his teaching of aphasiacs.

MR. FRANK DEPARSIA spends his time as a soccer coach as well as being a special education teacher.

New Films Help In Foreign Language Classes

Spanish, French, and Latin are the only three foreign languages presently being taught at Liberty.

Each year there are a few students who, interested in seeing other foreign languages added to the curriculum, make requests for them.

The most popular request seems to be for the German language. German is a very complex and difficult language to learn and it would be hard to find a qualified German teacher. So, for the time being anyway, students must choose Spanish, French, or Latin as a foreign language course.

OPPORTUNITY EDUCATION TEACHER, Mr. Dewel Morgan, plans his strategy in a game of chess.

FILMSTRIPS are helpful for foreign language classes, including French, as Mrs. Evelyn Griffith shows us.

CAUGHT LOOKING at the camera during his Spanish III class is the teacher, Mr. James Alves.

Staff Chooses School Song For '73 Book Theme

This year the Liberty LION was right in pace with school spirit setting its theme to Hail Liberty! It worked out ideally, as each stanza of the song interpreted its message on each division page. Adding to the LION'S completion, a metal lay of the Statue of Liberty appeared on the cover

of cardinal, to which individuals' names were engraved for the first time.

Solving the problem of a need for more book sales, letters were sent home to parents and brought great results.

To supply a bit of humor, art caricatures appeared through-

out the book. The curriculum section consisted of thoroughly candid shots, and an expanded girls' sports section has been moved to the sports pages.

We members of the staff all worked hard to produce an impressive book and hope all have enjoyed it.

SUSAN CHAN works intensely to get her activity pages ready for their spring deadline.

BUSY on sports pages is Cyndi Celoni. This is her second year on the staff and is currently Sports Editor.

Metal On Cover, Art Caricatures Add To Annual

As Co-Editors-in-chief we owe a great deal to many people for all the hours of hard work that were put into producing our yearbook. We would sincerely like to thank:

The American Yearbook Company for the printing and assembling of the LION '73 yearbook;

Mr. Eldon Tanner for his in-the-plant work on our yearbook;

Mr. Bill Stephenson for his assistance in solving our unsolvable problems;

Mr. Hal Matson for his support with our photo department;

Mr. William Batze, our yearbook adviser, for his determination and understanding in preparing the 1973 LION;

The LUHS Staff for their understanding and cooperation in obliging to our many wants;

Last but not least, a special thanks to the 1973 LION Yearbook staff for all of their hours of hard work and dedication, without whose help this yearbook could not have been produced.

Hail Liberty!
Cardinal and Gold.

Hail Liberty!
Loyal Sons

so brave and bold.

With her banners waving
proudly in the sky.

Let's sing her praise
and voices raise.

Hail, Hail Liberty!
